Subject: Representation of Carie, LLC in McDermott Case in Dillon

Jared,

Marie and I, and our family, want to thank you and Carey, your paralegal assistant, for the excellent representation you provided Carie, LLC, dba Horse Prairie Ranch, in the McDermott case. We compliment you on your thoroughness, honesty and integrity, and your willingness to also listen to our input and comments on strategies in the case. We feel that your expertise and handling of this case was impressive to Judge Loren Tucker and also the jury. Your closing argument was particularly strong and I know that you and Carey spent a lot of time on it, including evening time when you could have been relaxing. Your preparation was very evident.

We wish you continued success in your career and thank you, again, for so ably representing Carie, LLC, dba Horse Prairie Ranch.

Regards,

Ken, Marie and the Duncan Family
